Action petitioned for	<p>We, the undersigned, are customers of Utility Source, LLC, and request that the Arizona Corporation Commission:</p> <ol style="list-style-type: none"> 1) Relocate the planned hearing on this matter, Docket WS-04235A-06-0303, to Bellemont, Arizona in order to accommodate Utility Source customers, as 100% of the customers are serviced in Bellemont, Arizona. 2) Consider postponing the proposed rate increase until the additional 260 homes planned to become Utility Source customers are completed. The current range of water and sewer utility rates are significantly lower for utilities servicing five hundred (500) or more homes. 3) Consider a rate increase comparable to the City of Flagstaff water and sewer rates, which will be within the budget of most Utility Source customers as the majority are previous City of Flagstaff residents.
